

Alexander X Yu

✉ alexy23@g.ucla.edu | ☎ (408) 888-9179 | 📍 San Jose, CA

Education

University of California, Los Angeles

B.S. in Computer Science
GPA: 4.0

Los Angeles, CA
Sep 2019 - June 2023

The Harker School

High School Diploma
GPA: 4.0 (unweighted), 4.54 (weighted)

San Jose, CA
Aug 2015 - May 2019

Relevant Coursework:

Data Structures • Computer Organization •
Computer Architecture • Software Construction
Laboratory • Expert Systems • Multivariable
Calculus • Linear Algebra • Differential Equations
• Intro Statistics • Physics: E&M • Physics:
Electrodynamics, Optics, and Special Relativity

Experience

Zili Lab

Research Assistant

UCLA Psychology Department
Oct 2019 - Present

- Used support vector machines and neural networks to study directional motion processing in the human brain
- Evaluated and simulated human decision-rule models based on same-different experiments
- Coded interfaces that were used for stimulus-based human behavioral experiments

Li Lab

Research Assistant

UCSF Department of Biochemistry and Biophysics
June 2018 - Sep 2019

- Used machine learning and image/data analysis techniques to investigate causal links between the cell cycle regulator WHI5 and the aging process in yeast
- Built computational pipelines to analyze physical (body mass, metabolic rate) and proteomic (Gene Ontology, positive selection in genes) differences between mammalian species that may account for lifespan variation

Skills

Programming Languages: Java, Python, C++, Bash, HTML, CSS, Javascript, C, JESS, LISP, R, and SQL

Frameworks/Platforms: Jupyter Notebook, Node.js, Django, React, MongoDB, Google Cloud, AWS, Git, Tensorflow, Scipy, Scikit

Extracurricular Positions: UCLA Symphony Cellist (2019-present), Harker Swim Team Captain (2019), Harker Orchestra Assistant Principal Cellist (2018-19)

Projects

Projector

A web application that allows people to post project ideas and connect with others. Built with React frontend and Django backend.

Footprint

An intuitive app that allows people to track and visualize their carbon footprint. Built with React native frontend and Node.js backend.

Music Scroll

A sheet music viewer that automatically switches pages hands-free with no hassle.

SMEP

An expert system that helps to choose events to enter for a given swim meet.

Awards

- | | |
|------|--|
| 2020 | UCLA APLUS Scholarship , Recognized for excellence in academics and research. |
| 2019 | National Merit Scholar , Recognized for academic and extracurricular accomplishments. |
| 2019 | Presidential Scholar Nominee , Recognized as a distinguished high school senior. |
| 2017 | USA Computing Olympiad Silver Level , Awarded to those who have reached the USACO silver level. |
